By Popular Demand John Gastil, 2000-08 By Popular Demand tackles two important issues--increasing political participation and restoring trust in government--that are critical to the future of American democracy. John Gastil's careful research makes a solid contribution to the recent literature on the growing divide between the public, elections, and policy decisions. His solutions are worthy of our careful consideration.—Mark Baldassare, author of *When Government Fails: The Orange County Bankruptcy* (California 1998) and *California in the New Millennium: The Changing Social and Political Landscape* (California 2000). In an era of political cynicism, a new movement of citizen empowerment is afoot. Encouraging active involvement through community dialogue and deliberation, advocates of strong democracy are designing innovative processes in which ordinary citizens can work through difficult public issues by constructive and respectful talk. John Gastil's new book *By Popular Demand: Revitalizing Representative Democracy by Deliberative Elections* is a new landmark work in the literature of politics and communication and should be read by everyone interested in the revitalization of democracy.—Stephen W. Littlejohn, President Public Dialogue Consortium *By Popular Demand* is a persuasively argued account of the deficiencies of the U.S. electoral system. Gastil provides a wealth of insights into the frequent disconnect between politicians and their constituents. His solution for the ails of popular representation--including on voters' ballots the correspondence between legislators' positions and those of citizen panels--should provoke spirited debate among scholars, journalists, and policymakers alike.—Mark A. Smith, University of Washington John Gastil makes a compelling case for a more deliberative approach to electing officials in the United States. He understands the potential for public deliberation and the barriers to it. Anyone interested in improving the representativeness of the electoral process should take note of this book and its provocative proposal. As Gastil masterfully demonstrates, a deliberative citizenry provides both the knowledge and will required to legitimate democratic governance.—David Mathews, President, Kettering Foundation Hallelujah for John Gastil! He's right on target that citizens must regain their place in our politics and public life. His call to create more places for citizens to talk deeply about their concerns and hopes is one we must all heed.—Richard C. Harwood, Founder and President of The Harwood Institute for Public Innovation

Power Searching the Internet Nicole Hennig, 2018-12-07 Learn how to help your library patrons deepen their internet searches to more effectively find information, images, videos, statistics, maps, books, definitions, translations, and more. You

know how to dash off a quick Google search, but do you know how to go further with your searching to get everything you actually need? Written in an engaging, conversational tone, this handy guide introduces you to shortcuts and some of the hidden features and filters offered by many search tools—such as limiting by site, domain, or date—and to several free but little-known search tools. With concrete examples and practical how-to tips, you'll learn to effectively search Google, Wolfram Alpha, social media platforms, and other internet search tools—and how to teach your patrons to do the same. The information comprised in this volume can be easily shared with patrons to help them in their searches and may be used in information literacy courses.

By Popular Demand Jess Vallance, 2019-06-13 The third book in a brilliantly funny YA series featuring the trials and embarrassing tribulations of teenager Gracie Dart. 'Gracie Dart is the screamingly funny YA heroine I've been waiting for' - Harriet Reuter Hapgood When Gracie realises that she is the only person in her group of friends who has not been invited to THE party of the year, Gracie decides to do something about it. Gracie being Gracie does nothing by halves, and goes into overdrive turning herself into the most popular person around. As ever, Gracie overdoes it - with some very funny results ... and perhaps Gracie will find out the value of true friendship along the way.

Dead by Popular Demand Teddy Hayes, 2005 Devil Barnett, ex-CIA wet-ops agent turned Harlem tavern owner, is a modern day ronin, a highly skilled, highly trained street samurai who no longer fights for the company, but picks his own battles. A London rap group has been flown into New York by their record label, Grooveline Records, and are poised to take America by storm, when two of their members turn up dead on the same night.--Cover.

Ratification of Constitutional Amendments by Popular Vote United States. Congress. Senate. Committee on the Judiciary, 1938 Considers (75) S.J. Res. 134.

Lilies; or, Letters to school-girls, by popular writers [ed. by C.G. Cavendish]. Lilies, 1884

Inside the SPAM Cartel Spammer-X Spammer-X, 2004-11-13 Authored by a former spammer, Inside the SPAM Cartel is a methodical, technically explicit expose of the inner workings of the SPAM economy. Readers will be shocked by the sophistication and sheer size of this underworld. From the author: You may hate spam and think all spammers are evil, but listen to my story and see why I do this and more importantly, HOW. For most people, the term SPAM conjures up the image of hundreds of annoying, and at times offensive, e-mails flooding their inbox every week. But for a few, SPAM is a way of life that delivers an adrenaline rush fueled by cash, danger, retribution, porn and the avoidance of local, federal, and international law enforcement agencies. Inside the SPAM Cartel offer readers a never-before seen view inside this dark sub-economy. You'll meet the characters that control the flow of money as well as the hackers and programmers committed to keeping the enterprise up and running. You may disagree with their objectives, but you can't help but to marvel at their ingenuity and resourcefulness in defeating spam filters, avoiding being identified, and staying one step ahead of the law.

Spam makes up now 64% of all email sent and it is said to be the most annoying part of being online. You'll meet the characters that control the flow of money as well as the hackers and programmers committed to keeping the enterprise up and running. Authored by a former spammer, this is a methodical, technically explicit expose of the innerworkings of the SPAM economy.

The Tugss's at Ramsgate, by Charles Dickens. And Other Stories by Popular Writers Charles Dickens,1870

By Popular Demand Lance Campbell,1998 It's all happened at the Festival Centre the night Marcel Marceau spoke on stage, the time Rudolf Nureyev wouldn't go on, when Richard Harris took to Adelaide's critics, when Dr Hook wouldn't stop singing, when Reg Livermore swore he wasn't coming back. From Winnie the Pooh to The King and I, the Festival Centre has shown the way.
